## 6. Additional Discussion, New and Old Business - all

- Andy Prior will be Membership Chair beginning in 2026.
- Paul proposed that we use the free version of Flickr in 2026 for photo storage for the FLK web site rather than paying for a subscription. The limit of 1000 photos with the free version is workable based on experience. The proposal was unanimously approved.
- Relative to the family picnic, John will work on an analysis to determine the Region membership center of gravity so as to confirm a central location for the event.
- It was agreed that the FRONTRUNNER newsletter normally be published semi-annually rather than quarterly, which was the former plan for publication frequency.
